The first episode tells the story of the Italian uprising in Naples. The badly strung out Nazis were unable to suppress this and left. That Naples could rise in unity and do anything constructive is a surprise. There are a variety of other segments. Jews in Italy did not suffer the same mistreatment.

The experiences of this euro generation are one of the reasons behind

Access Free The Other Italy

the widespread public disillusionment with Italian politics. They also help explain why Italy has gone from being one of the most enthusiastic members of the EU to one of its most disaffected — and why the country stands a not-so-little risk of handing the reins of government over to a Euroskeptic leader.
