The Paper Chase by John Jay Osborn Jr. - Goodreads

Description. An adventure story of politics, ideas, espionage and printing from the age of Queen Anne. The Paper Chase follows the apprenticeship, career and manhunt of David Edwards, a shady publisher who in 1705 printed a seditious pamphlet (The Memorial of the Church of England) that threatened to topple the government and was part of a much larger revolutionary campaign.

Are you missing one of the most exhilarating and rewarding dimensions of the Christian life? Bestselling authors Lee Strobel and Mark Mittelberg use compelling and humorous stories from their own lives in a devotional-style book that paints an irresistible picture of what personal evangelism can be—the fulfilling adventure of a lifetime!

Longlisted for the HWA Non-Fiction Crown 'A remarkable achievement' Spectator In the summer of 1705, a masked woman knocked on the door of a London printer's workshop. She did not leave her name, only a package and the promise of protection. Soon after, an anonymous pamphlet was quietly distributed in the backstreets of the city. Entitled The Memorial of the Church of England, the argument it proposed threatened to topple the government. Fearing insurrection, parliament was in turmoil and government minister Robert Harley launched a hunt for all of those involved. The printer was eventually named, but could not be found. . In this breakneck political adventure, Joseph Hone shows us a nation in crisis through the story of a single incendiary document. 'An elegant blend of scholarship and detection' Peter Moore, author of Endeavour 'Enthralling' London Review of Books 'An exciting story told with vigour' Adrian Timmiswood, Literary Review

A riveting drama of marital therapy Gretchen and Steve have been married for a long time. Living in San Francisco, recently separated, with two children and demanding jobs, they've started going to a marriage counselor. Unfolding over the course of ten months and taking place entirely in the marriage counselor's office, John Jay Osborn's Listen to the Marriage is the story of a fractured couple in a moment of crisis, and of the person who tries to get them to see each other again. A searing look at the obstacles we put in our own way, as well as the forces that drive us apart (and those that bring us together), Listen to the Marriage is a poignant exploration of marriage—heartbreaking and tender.

From a wartime beach in Wales to the gleaming skyscrapers of twenty-first-century Manhattan, the extraordinary career of Fleet Street legend Harold Evans has spanned five decades of tumultuous social, political and creative change. Just how did a working class Lancashire boy, who failed the eleven-plus, rise to a position where he could so effectively give voice to the unheard? Born in the bleak years between the wars in the sprawl of Greater Manchester into a thrifty, diligent and loving family, Evans inherited only the privilege of his parents' example. Theirs was a work ethic that led Evans through night school classes, national service and a passionate commitment to regional life, and, finally, to his unassailably successful editorship of one of our greatest newspapers, the Sunday Times. Whether unpicking the murderous chaos of Bloody Sunday, pursuing a foreign correspondent's murderers or uncovering the atrocity of Thalidomide, this consummate newsman evokes his contagious passion: for the real story and the truth.

Features a fold-out game - with press-out counters and tongue-twister forfeit cards - and a press-out circus to put on your very own show.

In 'The Incredible Paper Chase', Wally travels through amazing worlds of dinosaurs, soldiers, clowns and more. He leaves a tiny piece of paper to look for in every scene, and at the end of the book there are checklists with hundreds more things to find.

One L, Scott Turow's journal of his first year at law school and a best-seller when it was first published in 1977, has gone on to become a virtual bible for prospective law students. Not only does it introduce with remarkable clarity the ideas and issues that are the stuff of legal education; it brings alive the anxiety and competitiveness—with others and, even more, with oneself—that set the tone in this crucible of character building. Each September, a new crop of students enter Harvard Law School to begin an intense, often grueling, sometimes harrowing year of introduction to the law. Turow's group of One Ls are fresh, bright, ambitious, and more than a little daunting. Even more impressive are the faculty. Will the One Ls survive? Will they excel? Will they make the Law Review, the outward and visible sign of success in this ultra-conservative microcosm? With remarkable insight into both his fellows and himself, Turow leads us through the ups and downs, the small triumphs and tragedies of the year, in an absorbing and thought-provoking narrative that teaches the reader not only about law school and the law but about the human beings who make them what they are. In the new afterword for this edition of One L, the author looks back on law school from the perspective of ten years' work as a lawyer and offers some suggestions for reforming legal education.

'Quick, a newspaper!' shouted a driver. Jacob ran to th ecar, holding out the Morning News. Suddenly newspapers were blowing everywhere. What was Jacob to do?

The ostensible purpose of a library is to preserve the printed word. But for fifty years our country's libraries—including the Library of Congress—have been doing just the opposite, destroying hundreds of thousands of historic newspapers and replacing them with microfilm copies that are difficult to read, lack all the color and quality of the original paper and illustrations, and deteriorate with age. With meticulous detective work and Baker's well-known explanatory power, Double Fold reveals a secret history of microfilm lobbyists, former CIA agents, and warehouses where priceless archives are destroyed with a machine called a guillotine. Baker argues passionately for preservation, even cashing in his own retirement account to save one important archive—all twenty tons of it. Written the brilliant narrative style that Nicholson Baker fans have come to expect, Double Fold is a persuasive and often devastating book that may turn out to be The Jungle of the American library system.

When British journalist Damian March inherits his Uncle Patrick's house on an island off Cape Cod, he discovers an unpublished novel called "The Confessions of Mycroft Holmes" and begins to learn about his uncle's solitary life, so much like that of Sherl
