“ Radium Girls ” : Based on a true story, women working in a factory using radium in the 1920s fall ill; their court battle would make history. Advertisement Many facts and names have been altered.

'Radium Girls' review: Poisoned on the job, they fight ...

Radium was the 'wonder drug', used internally and externally for all sorts of ailments, and added to everything from children's sandboxes to women's beauty products. The dialpainters were told it would make their cheeks rosy. The work was well-paid and the women 'lucky' enough to secure jobs ranked among the top 5% of female wage-earners.

week (equivalent to \$200 in 2019) for all of their lives while they lived, and all medical and legal expenses incurred would also be paid by the company.

Radium Girls - Wikipedia

They were the children of Italian immigrants. Albina, Mollie, Quinta and Irma all worked in the radium-dial factory; unlike her elder sisters, however, not a lot is known about Irma, save that she worked there and died at the age of thirty-seven in 1940. Mollie was an exceptional dial-painter – but paid the price.
