On the relationship between a parent and a child I made a similar point in a video a few weeks ago, but I want to reiterate and expand upon it for two reasons. One, this is so prevalent in most (possibly all?) societies, and two, it's extremely toxic and harmful. Consider the relationship between a human and their biological child.

On the relationship between a parent and a child - Michael ...

The parental relationship is one of the earliest connections that a child has; and it definitely sets the bar for everyone thereafter. However, some people mistakenly think that we are born with specific genes that identify our personalities. Of course, personality development is governed by certain genes to some extent.

Parenting is a tough job, but by maintaining a close relationship and open communication with your children, parents can stay connected to them during all stages of life. Further, a strong parent-child connection actually makes parenting easier since children who feel more connected to their parents are more inclined to want to listen, help and follow directions.

How to Strengthen Parent-Child Relationships

The good relation between parents and teachers should be characterised by what is called mutual trust, in which there are an acknowledgement of each other's competency, an argument for both bridges and gates between home and school, and an awareness that the hope for a better school is in school and not in the parents (Eriksson, 2001, p. 13). In an encounter between to equal partners there is a dialogue in which both are prepared to change.

Relationship between home and school. How do parents ...

Despite the name "parent company," the relationship between a parent company and its subsidiaries is not the same as a parent and child relationship. While the parent company does hold influence over the subsidiary company, the subsidiary is a legally independent entity. Whether the parent company is the sole or majority stockholder of the subsidiary company, it will have virtually total control of the subsidiary company's operations.
