Everywhere, waters are rising--and that is just the beginning of the world's peril, unless the NUMA crew can beat the clock in this thrilling novel from the #1 New York Times--bestselling grand master of adventure. An alarming rise in the world's sea levels--much larger than could be accounted for by glacier melt--sends Kurt Austin, Joe Zavala, and the rest of the NUMA scientific team rocketing around the globe in search of answers. What they find at the bottom of the East China Sea, however, is even worse than they imagined: a diabolical plan to upset the Pacific balance of power--and in the process displace as many as a billion people. A rare alloy unlike anything else on earth, a pair of five-hundred-year-old Japanese talismans, an assassin so violent even the Yakuza has disowned him, an audacious technological breakthrough that will become a very personal nightmare for Kurt Austin--from the shark-filled waters of Asia to the high-tech streets of Tokyo to a forbidden secret island, the NUMA team must risk everything to head off the coming catastrophe.

The world's oil supply is vanishing, the stock market is plummeting, and the key to saving the future seems to be a baffling historical mystery. Can the NUMA crew crack it in time? Sea of Greed is the suspenseful new NUMA Files novels from the #1 New York Times--bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs trying to revive a dying field, Kurt Austin and the NUMA Special Projects Team are tapped by the President of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age; her company has spent billions developing the worlds' most advanced fuel-cell systems. But is she an environmental hero...or a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with bacteria that are consuming the oil before it can be pumped out of the earth--a bacteria originally lost decades ago when two submarines vanished in the Mediterranean. With hired killers on his trail, can Kurt

Austin locate a submarine that's remained hidden for more than fifty years? And even if he can, can the biological terror that's been unleashed be stopped?

When a NUMA research vessel is suddenly and brutally destroyed by a malevolent black substance originally mistaken for an oil spill, Kurt Austin and Joe Zavala pursue an investigation in the Indian Ocean, where they discover an audacious plot targeting millions of victims. By the best-selling author of Devil's Gate. Reprint.

When NUMA team leader Kurt Austin finds his own memories of a dangerous mission aren't to be trusted, he must follow a trail of mysterious disappearances to the truth in this novel in the #1 New York Times-bestselling series. After a narrow escape during a perilous rescue operation to save the passengers and crew from a sinking yacht, Marine adventurer Kurt Austin awakens with fragmented and conflicting memories. Did he see an old friend and her children drown, or was the yacht abandoned when he came aboard? For reasons he cannot explain, Kurt doesn't trust either version of his recollection. Determined to know the fate of his friend, he begins to search for answers, and soon finds himself descending into a shadowy world of state-sponsored cybercrime, and uncovering a pattern of vanishing scientists, suspicious accidents, and a web of human trafficking. With the help of fellow NUMA operative Joe Zavala, he takes on the sinister organization at the heart of this web, facing off with them in locations ranging from Monaco to North Korea to the rugged coasts of Madagascar. But where he will ultimately end up even he could not begin to guess.

Clive Cussler's astounding Devil's Gate sees the return of Kurt Austin and the NUMA team. Deep beneath the Eastern Atlantic Ocean lies an extraordinary underwater burial ground of ships and planes . . . Nearby, a Japanese cargo ship blows up without warning. Racing to help, Kurt Austin and the NUMA team are beaten to the scene by heavily armed pirates. But when the ruthless gang's own boat explodes as they're making their escape, the men from NUMA are suddenly plunged from a disaster into a mystery. Soon they uncover a scheme involving the deadly ambitions of an African dictator, the creation of a weapon of terrible power, a kidnapped CERN scientist and a deep-water graveyard holding a lost aircraft and its precious cargo. As a terrifying and audacious plan to bring the world's major nations to their knees is set in motion, only Kurt Austin - the right man, in the right place, at the right time - can stop it . . . With Devil's Gate, UK number one bestseller Clive Cussler shows us once more why he is the grand master of adventure fiction. The ninth book in Clive Cussler's bestselling NUMA Files series, Devils's Gate is a novel that will have readers gripped right to the last page. Kurt Austin, hero of previous titles Medusa and The Navigator, must avert a disaster of global proportions. Praise for Clive Cussler: 'Clive Cussler is the guy I read' Tom Clancy 'The Adventure King' Sunday Express

Waking with conflicted memories after an injury sustained while trying to rescue passengers from a sinking yacht, Kurt Austin searches for answers from a state-sponsored cybercrime ring that takes him from Monaco to North Korea. By the best-selling authors of Devil's Gate.

Kurt Austin and the NUMA crew risk everything to stop a cutthroat arms dealer from stealing a priceless ancient treasure in the thrilling new novel from the #1 New York Times-bestselling grand master of adventure. In 1074 B.C., vast treasures disappear from the tombs of Egyptian Pharaohs. In 1927, a daredevil American aviator vanishes on an attempted transcontinental flight. And in the present day, a fishing trawler--along with its mysterious cargo--sinks off the coast of Scotland. How are these three mysterious events connected? And, more importantly, what do they mean for Kurt Austin and his NUMA team? As they search for answers, the NUMA squad join the agents of the British MI5 to take on a wide-reaching international conspiracy.

Their common enemy is the Bloodstone Group, a conglomerate of arms dealers and thieves attempting to steal ancient relics on both sides of the Atlantic. Kurt and his team soon find themselves wrapped up in a treacherous treasure hunt as they race to find the lost Egyptian riches. . . before they fall into the wrong hands.
