"The wood monster is dead. I know this is true because I killed it. And yet my dreams are still full of fear and pain..." To keep her best friend, Navin, from being killed at the hands of vicious wood elves, Donna Underwood stole the elixir of life. Now she's facing an alchemist tribunal while her mother lies dying, succumbing to the elven curse that shattered her mind. In desperation, Donna seeks an audience with Aliette, the fierce and manipulative Wood Queen, who offers a deal: if Donna can use her strange and burgeoning powers to help the wood elves, Aliette will free her mother from the curse. Along with Navin and Xan, the half-fey guy she's falling for, Donna struggles to unlock the secrets of her iron tattoos in time to save her mother's life. But some secrets are better left untold.

The child of alchemists, Donna Underwood feels cursed by her magical heritage. When she was seven, a horrific fey attack killed her father and drove her mother mad. But when the darkest outcasts of Faerie—the vicious wood elves—abduct her best friend, Donna must accept her role in the centuries old war between the humans and the fey.

Born into the mysterious world of an ancient alchemical order, Donna has always been aware of the dark feud that exists between the alchemists and the fey. Her own mother - bound by a dark Faerie curse - has been confined to a hospital bed for as long as she can remember . . . But now there is a chance to release her, and Donna will stop at nothing until she is free.Armed with her own brand of powerful magic, Donna must face the fearsome Wood Queen in order to save her mother. But in the Ironwood - a place that haunts Donna's dreams - there is far greater and more dangerous magic already at work . . .

They say the truth sets you free, but they have no idea how far off base that is. Free? I don't think so. After being tricked into opening the doorway to the Demon Realm by Aliette, the Wood Queen, Donna Underwood is faced with a terrible ultimatum from the newly released demon hordes: the alchemists must deliver the Philosopher's Stone, or the world will be plunged into a devastating modern-day Dark Age. Donna is sent to London, where she can learn how to recreate the Stone and complete her alchemist's training. But time is running out. As she faces Demian, the vengeful demon king, Donna realizes the awful truth about collecting the Stone's elements. And this time, even braving death may not be enough to save the world. Praise for the Iron Witch series: "An exciting installment in this fantasy series."-Kirkus Reviews "Dark and beautiful, sensual and dangerous, utterly enthralling."-Richelle Mead, New York Times bestselling author of the Georgina Kincaid series

From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and The Witching Hour begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a chateau in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

Angrboda's story begins where most witch's tales end: with a burning. A punishment from Odin for refusing to give him knowledge of the future, the fire leaves Angrboda injured and powerless, and she flees into a remote forest. There she is found by a man Loki, and her initial distrust grows into a deep and abiding love. Their union produces three unusual children, each with a secret destiny, who she is keen to raise at the hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life - and possibly all of existence - is in danger.

Sheila, a mentally challenged woman, wants to become a witch but she's not sure how to do it. When unsettling things happen to people around her, Sheila decides to amend her goal to becoming a "Witch Detective". But the experiments she tries and the series of events that unfold mostly scare, rather than enlighten her. Will she learn who is hurting people in her social group or will she become a victim? This book is set in Yellow Springs, Ohio which is noted for it's liberal and free thinking ways. There are many different shops around town and classes at the local college that inspire Sheila.

The forest is a dangerous place, where siren song lures men and women to their deaths. For centuries, a witch has harvested souls to feed the heartless tree, using its power to grow her domain. When Owen Merrick is lured into the witch's wood, one of her tree-siren daughters, Seren, saves his life instead of ending it. Every night, he climbs over the garden wall to see her, and every night her longing to become human deepens. But a shift in the stars foretells a dangerous curse, and Seren's quest to become human will lead them into an ancient war raging between the witch and the king who is trying to stop her.

When this adaptation of C. S. Lewis's classic children's story opened at the RSC Stratford in November 1998, it received rave reviews and broke box office records. Four children are evacuated from London during the Blitz. While exploring the Professor's house, they stumble across the gateway to another world, and the adventure begins. The land of Narnia is under the spell of the wicked White Witch, and the four very quickly find themselves caught up in a deadly struggle between good and evil.
