To Have and to Hold (1899) is a novel by American author Mary Johnston. It was the bestselling novel in the United States in the following year (1900). To Have and to Hold is the story of an English soldier, Ralph Percy, turned Virginian explorer in colonial Jamestown. Ralph buys a wife for himself - a girl named Jocelyn Leigh - little knowing that she is the escaping ward of King James I, fleeing a forced marriage to Lord Carnal. Jocelyn hardly loves Ralph - indeed, she seems to abhor him. Carnal, Jocelyn's husband-to-be, eventually comes to Jamestown, unaware that Ralph Percy and Jocelyn Leigh are man and wife. Lord Carnal attempts to kidnap Jocelyn several times and eventually follows Ralph, Jocelyn, and their two companions - Jeremy Sparrow, the Separatist minister, and Diccon, Ralph's servant - as they escape from the King's orders to arrest Ralph and carry Jocelyn back to England. The boat they are in, however, crashes on a desert island, but they are accosted by pirates, who, after a short struggle, agree to take Ralph as their captain, after he pretends to be the pirate "Kirby". The pirates gleefully play on with Ralph's masquerade, until he refuses to allow them to rape and pillage those aboard Spanish ships. The play is up when the pirates see an English ship off the coast of Florida. Ralph refuses to fire upon it, knowing it carries the new Virginian governor, Sir Francis Wyatt, but the pirates open fire, and Jeremy Sparrow, before the English ship can be destroyed, purposefully crashes the ship into a reef. The pirates are all killed, but

the Englishmen (and woman) are rescued by the Governor's ship.

A clinical psychologist's exploration of the modern dilemmas women face in the wake of new motherhood When Molly Millwood became a mother, she was fully prepared for what she would gain: an adorable baby boy; hard-won mothering skills; and a messy, chaotic, beautiful life. But what she did not expect was what she would lose: aspects of her identity, a baseline level of happiness, a general sense of wellbeing. And though she had the benefit of a supportive husband during this transition, she also at times resented the fact that the disruption to his life seemed to pale in comparison to hers. As a clinical psychologist, Molly knew her experience was a normal response to a life-changing event. But without the advantage of such a perspective, many of the patients she treated in her private practice grappled with self-doubt, guilt, and fear, and suffered the dual pain of not only the struggle to adjust but also the overwhelming shame for struggling at all. In *To Have and to Hold*, Molly explores the complex terrain of new motherhood, illuminating the ways it affects women psychologically, emotionally, physically, and professionally—as well as how it impacts their partnership. Along with the arrival of a bundle of joy come thorny issues such as self-worth, control, autonomy, and dependency. And for most new mothers, these issues are experienced within the context of an intimate relationship, adding another layer of tension, conflict, and confusion to an already challenging time. As Molly examines the inextricable link between women's well-being as new mothers and the well-being of their relationships, she offers guidance to help readers reclaim their identities, overcome their guilt and shame, and repair their relationships. A blend of personal narrative, scientific research, and stories from Molly's clinical practice, *To Have and to Hold* provides a much-needed lifeline to new mothers everywhere.

"Discovering her fiancée is an international con man just moments before they exchange vows devastates celebrity wedding planner Brooke Baldwin's business--and breaks her heart. Brooke thinks she's found a fresh start in NYC with the Belles and her first bridal client, a sweet hotel heiress. Then she meets the uptight businessman who's holding the purse strings"--Page 4 of cover.

As you begin counting down to your wedding day or find yourself in the midst of the early years of marriage, it's important to invest time and energy into building a lifelong partnership. Over 8 sessions, learn to develop your foundation as individuals and a couple while growing in your understanding of Christ and His divine goal for marriage. Allow Him to be your teacher, guide, counselor, and coach as you discover biblical principles behind living life to the fullest as a couple. Features: Interactive questions and tools to guide discussion and make the study personal for couples Tools and suggestions for pre-marital education and counsel Seven weeks of personal study segments to complete between eight weeks of group sessions Benefits: Understand God's biblical purpose for marriage to establish a foundation that provides stability and oneness in your relationship Learn that following God's principles leads to freedom in the roles and responsibilities of husband and wife Follow God's stewardship principles for financial freedom Challenge thinking regarding needs, intimacy, and oneness in marriage Keep Christ first and grow in spiritual maturity as a couple Learn the necessary skills to effectively communicate and manage conflict Create healthy expectations for marriage

From the author of *The Monogamy Myth*, an essential guide written specifically for married couples to strengthen their relationship and prevent affairs. Based on Peggy Vaughans 30 years of work with married couples and the issue of affairs, this new handbook challenges the assumption that monogamy can be taken for granted, and provides the tools for building a strong marriage and preventing affairs. Explaining the need to focus on preventing affairs

before there is any threat to a marriage, she draws on her survey of 755 people regarding their beliefs to present "What Wont Work" and "What Will Work" to prevent affairs. Throughout To Have and to Hold, Vaughan details specific strategies and techniques, emphasizing that: Relying on attitudes and beliefs is not sufficient to maintain a monogamous relationship over a lifetime. Focusing on actions and behaviors is far more significant to strengthen a relationship. Responsible honesty is the single most important factor in preventing affairs. Everybody (society as a whole) plays a role in supporting couples efforts to maintain monogamy. Parents have a special responsibility to break the pattern for future generations. Four appendices present Vaughans survey questionnaire along with detailed breakdowns of responses.

Wedlocked! A runaway wife Alix North had fallen in love with Rhys Stirling the first time she had met him. Now Alix's dream was about to come true—Rhys had asked her to marry him. Rhys Stirling was an ambitious man, and the only thing that stood between him and a directorship was his single status. Of course, that was easily remedied. He'd known Alix all his life—she was the perfect choice. Alix isn't going to accept anything less than his love. It's only after Alix leaves him that Rhys finds that he's fallen in love—with his own wife! "Ms. Wentworth's talented writing comes through..."—Romantic Times

Set in October 1962, while the world holds its collective breath awaiting the possibly apocalyptic climax of the unfolding Cuban Missile Crisis, the banality of everyday life goes on?and Lonnie and Kate Ross confront their own domestic cold war. As Kate, frustrated and disillusioned, looks outside her marriage for satisfaction, Lonnie's justifiable suspicions of his wife's infidelity lead him down a deadly road of increasing paranoia and violence as he seeks to reclaim what he's lost. Masterfully paced and drawn in Chaffee's fluid, inky brushstrokes, To Have and To Hold captures the pulpy, nocturnal atmosphere of classic noir.

A successful civil engineer remains single because of a disasterous relationship in her past, until she meets a beautiful single mom.

To the modern, freedom-loving Phindile it seemed impossible that anyone, least of all a man, could make her compromise her independence. But then she had not reckoned with the determination of the lizard-like Mr Takawira or the charms of the persistent Kudzi.

We were warned about the seven-year itch. It never came—thank God. But nobody warned us about what can come between man and wife when life gets in the way. Kids, jobs, jealousy, and more. I was afraid the new woman he hired was going to fuel that jealousy inside me. She wanted him, and I knew it, felt it. I couldn't miss those green eyes looking him over as if he were prey. He was the most prominent plastic surgeon on the Vegas Strip; he saw beautiful women every day. But would this one, the leggy brunette who so obviously wanted to wreck the home I wasn't sure was already broken or not, snake her way in? Now I had to compete for the love of my life on the eve of our last attempt to save our marriage—our vow renewal ceremony. It was time to remind my husband I wasn't just a mom and housewife. I was the woman who tamed the beast, and I'd do it again.
