Most of us live our lives by accident - we live as it happens. Fulfilment comes when we live our lives on purpose. 'What are you going to do with your life? What are you doing with your life now?' 'Do you have goals? A vision? A clear sense of why you do what you do?' Almost everyone knows someone who has grappled with at least one of these questions. The answers can often seem elusive or uncertain. Though there are many paths to follow into the unknown future, there is one way that dramatically increases the chances we will enjoy the journey. To travel with someone we trust. We can try to build a successful career or a happy life alone, but why would we? Together is better. This unique and delightful little book makes the point that together is better in a quite unexpected way. Simon Sinek, bestselling author of Start With Why and Leaders Eat Last, blends the wisdom he has gathered from around the world with a heartwarming, richly illustrated original fable. Working hard for something we don't care about is called stress. Working hard for something we love is called passion.

Whatever dream you're working towards, a few wise words can help make any challenge easier. This uplifting little book is packed with inspiring quotations and simple but effective tips to help you get the most out of every day.

A collection of your favorite Bible verses organized for any occasion, Wisdom of the Bible is an invaluable resource. Wisdom of the Bible provides day-to-day insights and hope from the greatest story ever told. Too often in life, we struggle with uncertainty and anxiety; it is in these times that we can turn to the Scriptures for comfort and guidance. Presented in a clear, elegant format, Wisdom of the Bible draws on the Scriptures to provide words of advice and inspiration on relationships, love, family, and more. Taking as its credo that the best life is one that follows the principles of the Scriptures, Wisdom of the Bible brings these ages-old words of wisdom to life, along with practical advice from Pastor Tonia Jenkins' personal and professional experience. Wisdom of the Bible brings God's guidance to those who need it most. These words of wisdom and advice have guided countless lives for centuries; this book directs these perfect words of Scripture to those areas of life where they are needed most: matters of love and family, health and prayer, and even life and death. Providing insight not only into one's personal life, but also offering advice on how best to trust in God's wisdom and let his plan follow its plotted course, Wisdom of the Bible is the book to reach for whenever you need a word of wisdom. A great gift idea. "Happy is the man that finds wisdom, and the man that gets understanding." --Proverbs 3:13

The inspiring, life-changing bestseller by the author of LEADERS EAT LAST and TOGETHER IS BETTER. In 2009, Simon Sinek started a movement to help people become more inspired at work, and in turn inspire

their colleagues and customers. Since then, millions have been touched by the power of his ideas, including more than 28 million who've watched his TED Talk based on START WITH WHY -- the third most popular TED video of all time. Sinek starts with a fundamental question: Why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who've had the greatest influence in the world all think, act, and communicate the same way -- and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Start With Why has led millions of readers to rethink everything they do - in their personal lives, their careers and their organizations. Now Find Your Why picks up where Start With Why left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As Start With Why has spread around the world, countless readers have asked me the same question: How can I apply Start With Why to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, Find Your Why can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

"She went out on a limb, had it break off, and realized she could fly." We've all been there on occasion. We've over-reached and achieved success by reaching deep within, rallying, and overcoming life's difficulties and challenges that would keep us from our goals. For every woman who has said, "I can" in place of, "I can't," author and illustrator Sandy Gingras offers inspiration inside She Went Out on a Limb, an illustrated list book of positive and affirming phrases, some original, some quoted. She Went Out on a Limb offers the inspirational power of words for putting your heart on the line, the value of dreaming and hope, trusting yourself, combating fear and adversity, getting out of your own way, not thinking too much, avoiding procrastination, stirring up inspiration, loving yourself, believing in yourself, and just doing it. The thoughtful and poetic prose along with original watercolor illustrations combine to focus on the positive and remind you to combat fear and adversity through affirmation in your own beliefs and abilities. The limb may break, but the flight holds exhilarating promise.

"One of the 12 best business books of all time... Timeless principles of empowering leadership." - USA Today "The best how-to manual anywhere for managers on delegating, training, and driving flawless execution." -FORTUNE Since Turn the Ship Around! was published in 2013, hundreds of thousands of readers have been inspired by former Navy captain David Marquet's true story. Many have applied his insights to their own organizations, creating workplaces where everyone takes responsibility for his or her actions, where followers grow to become leaders, and where happier teams drive dramatically better results. Marquet was a Naval Academy graduate and an experienced officer when selected for submarine command. Trained to give orders in the traditional model of "know all-tell all" leadership, he faced a new wrinkle when he was shifted to the Santa Fe, a nuclear-powered submarine. Facing the high-stress environment of a sub where there's little margin for error, he was determined to reverse the trends he found on the Santa Fe: poor morale, poor performance, and the worst retention rate in the fleet. Almost immediately, Marquet ran into trouble when he unknowingly gave an impossible order, and his crew tried to follow it anyway. When he asked why, the answer was: "Because you told me to." Marquet realized that while he had been trained for a different submarine, his crew had been trained to do what they were told—a deadly combination. That's when Marquet flipped the leadership model on its head and pushed for leadership at every level. Turn the Ship Around! reveals how the Santa Fe skyrocketed from worst to first in the fleet by challenging the U.S. Navy's traditional leader-follower approach. Struggling against his own instincts to take control, he instead achieved the vastly more powerful model of giving control to his subordinates, and creating leaders. Before long, each member of Marquet's crew became a leader and assumed responsibility for everything he did, from clerical tasks to crucial combat decisions. The crew became completely engaged, contributing their full intellectual capacity every day. The Santa Fe set records for performance, morale, and retention. And over the next decade, a highly disproportionate number of the officers of the Santa Fe were selected to become submarine commanders. Whether you need a major change of course or just a tweak of the rudder, you can apply Marquet's methods to turn your own ship around.

A collection of 111 short, inspiring teachings on how to let your light shine regardless of what's going on in your life. Stressed out by life? Need a little extra comfort, inspiration, and love? Whether you've lost your way or are just having a bad day, The Little Book of Light is the ideal pick-me-up, a reminder that love and joy are available in every moment. This elegantly packaged little gift book will

inspire, uplift, and enlighten with digestible nuggets of inspiration. It appeals to people of all spiritual traditions and at various stages on their spiritual path without being religious. The Little Book of Life is bite-sized inspirational wisdom that will help illuminate your path, no matter how dark it may sometimes appear. It will help you stay connected with your true self, and find daily delight so you can shine.
