Day Program: The Genius of the Founders Truman By David Mccullough

Truman is a 1992 biography of the 33rd President of the United States Harry S. Truman written by popular historian David McCullough. The book won the 1993 Pulitzer Prize for Biography or Autobiography. The book was later made into a movie with the same name by HBO

Truman (book) - Wikipedia

Drawing on archival material and extensive interviews, McCullough chronicles Truman's boyhood in Missouri, his entry into politics and his surprising success as a US senator. But it is Truman's emergence as a decisive and confident President that forms the heart of this book.

The Pulitzer Prize – winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America ' s beloved and distinguished historian. The life of Harry S. Truman is one of the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace Truman, George Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. In this riveting biography, acclaimed historian David McCullough not only

## Online Library Truman By David McCullough

captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman ’ s story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas City, the legendary Whistle-Stop Campaign of 1948, and the decisions to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman ’ s own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary “ man from Missouri ” who was perhaps the most courageous president in our history.

## Online Library Truman By David Mccullough

In this riveting biography, David McCullough captures Harry S. Truman and the turbulent, historically significant times during which he served.

Jeffrey Frank, author of the bestselling *Ike and Dick*, returns with the first full account of the Truman presidency in nearly thirty years, recounting how so ordinary a man met the extraordinary challenge of leading America through the pivotal years of the mid-20th century. The nearly eight years of Harry Truman's presidency—among the most turbulent in American history—were marked by victory in the wars against Germany and Japan; the first use of an atomic weapon; the beginning of the Cold War; creation of the NATO alliance; the founding of the United Nations; the

## Online Library Truman By David Mccullough

Marshall Plan to rebuild the wreckage of postwar Europe; the Red Scare; and the fateful decision to commit troops to fight in Korea. Historians have tended to portray Truman as stolid and decisive, with a homespun manner, but the man who emerges in *The Trials of Harry S. Truman* is complex and surprising. He believed that the point of public service was to improve the lives of one's fellow citizens, and was disturbed by the brutal treatment of African Americans. Yet while he supported stronger civil rights laws, he never quite relinquished the deep-rooted outlook of someone with Confederate ancestry reared in rural Missouri. He was often carried along by the rush of events and guided by men who succeeded in refining his fixed and facile view of the postwar world. And while he prided himself on his Midwestern rationality, he could act out of emotion, as when, in the aftermath of World War II, moved by the

plight of refugees, he pushed to recognize the new state of Israel. The Truman who emerges in these pages is a man with generous impulses, loyal to friends and family, and blessed with keen political instincts, but insecure, quick to anger, and prone to hasty decisions. Archival discoveries, and research that led from Missouri to Washington, Berlin and Korea, have contributed to an indelible, and deeply human, portrait of an ordinary man suddenly forced to shoulder extraordinary responsibilities, who never lost a schoolboy ' s romantic love for his country, and its Constitution.

From Alexander von Humboldt to Charles and Anne Lindbergh, these are stories of people of great vision and daring whose achievements continue to inspire us today, brilliantly told by master historian David McCullough. The bestselling author of Truman

## Online Library Truman By David McCullough

and John Adams, David McCullough has written profiles of exceptional men and women past and present who have not only shaped the course of history or changed how we see the world but whose stories express much that is timeless about the human condition. Here are Alexander von Humboldt, whose epic explorations of South America surpassed the Lewis and Clark expedition; Harriet Beecher Stowe, “ the little woman who made the big war ” ; Frederic Remington; the extraordinary Louis Agassiz of Harvard; Charles and Anne Lindbergh, and their fellow long-distance pilots Antoine de Saint-Exup é ry and Beryl Markham; Harry Caudill, the Kentucky lawyer who awakened the nation to the tragedy of Appalachia; and David Plowden, a present-day photographer of vanishing America. Different as they are from each other, McCullough ’ s subjects have in common a rare vitality and

Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history ' s enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

An intemperate general. An unpopular war. A military and diplomatic team in disarray. Those are the challenges President Obama has faced as he attempts to make a success of U.S. involvement in Afghanistan. They are also the challenges President Truman surmounted in the winter of 1950 as he began managing a war in Korea that risked becoming bigger and more costly. It was the first significant armed conflict of the Cold War: U.S. troops under the command of General Douglas MacArthur came to the

## Online Library Truman By David McCullough

aid of the South Koreans after North Korea invaded. When Communist China entered the conflict on the side of the North Koreans, the crisis seemed on the verge of flaring into a world war. Truman was determined not to let that happen. MacArthur kept urging a widening of the war into China itself and ignoring his commander in chief. On April 11, 1951, after MacArthur had “shot his mouth off,” as one diplomat put it, one too many times, Truman fired him. The story of their showdown—one of the most dramatic in U.S. history between a commander in chief and his top soldier in the field—is captured in all its detail by David McCullough in his Pulitzer Prize – winning biography Truman, and presented here in a ebook called Truman Fires MacArthur (ebook excerpt of Truman), which was the headline carried in many newspapers around the country the next day.
