What Smart Students Know by Adam Robinson: 9780517880852 ...

This is a great book! I was skeptical and embarrassed to buy a book that is titled, "what smart students know". Surely, if any students catch you reading this book they will think you are a retard. The reason is there is a fad going on now. The fad is summarized by the following: "I spend the least amount of time studying and I get all A's.
