I know that most of us have good days and bad days and that as much as we want to be adaptable, we are grieving our old lives. However, what I do want to do is look at how we can take the leaning points from "Who Moved My cheese" and see if it applies to our current global pandemic situation. Change happens. Indeed, it does.

Who Moved My Cheese? | TrainingZone

Who Moved My Cheese? is a parable that takes place in a maze. Four beings live in that maze: Sniff and Scurry are mice–nonanalytical and nonjudgmental, they just want cheese and are willing to do whatever it takes to get it. Hem and Haw are "littlepeople," mouse-size humans who have an entirely different relationship with cheese.
