The book's emphasis on application of concepts makes it highly accessible to students, while expanding their understanding of both conflict theory and practical skills.

Learn how to engage in and resolve conflict productively to improve work relationships and create a more equitable community for children. Conflicts are inevitable, often hard to navigate, and can quickly multiply and become unmanageable. And resolving conflict requires self-reflection, understanding, and vulnerability. But knowing how to tackle difficult conversations will strengthen relationships, create a more equitable community, and improve the impact educators have on the young children they work with. The first of its kind, *Finding Your Way Through Conflict* specifically focuses on conflict in early childhood education settings and gives concrete steps and strategies to help manage and resolve it productively. Authors Chris Amirault, Ph.D., and Christine M. Snyder, M.A., have decades of experience in early childhood education programs and conflict resolution. Built on their expertise and their own experiences, the book's conflict scenarios are engaging and authentic, empowering educators to get in and out of conflict in a variety of personal, organization, and cultural contexts. Some of these scenarios include: **The Discombobulated Team:** The children's artwork you posted in the classroom yesterday is gone. Who took it down—and why? **The Intent/Impact Disagreement:** You were only trying to help! So why is that parent offended? **The Unexpected Disaster:** Your team planned every aspect of that difficult parent meeting for days. So why was it such a catastrophe? A free PLC/Book Study Guide is available at freespirit.com/plc.

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. *The Big Book of Conflict-Resolution Games* offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let *The Big Book of Conflict-Resolution Games* help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and

their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution Games* delivers everything you need to make your workplace more efficient, effective, and engaged.

Managing Conflict at Work provides practical guidance on how to prevent, contain and resolve conflict in the workplace. It demonstrates how effective conflict management can have a powerful impact on the way organisations channel their energies; encouraging positive mindsets and building stronger and happier workforces. Putting the cost of rising conflict in context with recessionary times, it looks beyond individual cases to issues such as workforce motivation and corporate responsibility. The authors provide a wide range of practical techniques, tools and templates to support individuals who need to facilitate the resolution of employee disputes. Aimed not just at mediators and conflict practitioners, but at staff managers and anyone who needs to deal with people disputes; the book emphasises simple and practical ways for dealing with conflict situations – both when potential disputes are first emerging, and once a conflict has escalated into a formal complaint. Also including international case studies, extensive appendix of templates, tools and forms, including stakeholder analysis, mediation intake forms and reflective questioning prompts, *Managing Conflict at Work* provides practical support to ensure that your company prevents disputes and stays within the law. The book is accompanied by an extensive range of ready-to-use templates and case studies and is supported by a dedicated website, providing information and downloads referred to in the book, as well as videos and podcasts.

Communication in Legal Advocacy integrates work in legal theory, communication theory, social science research, and strategic planning to provide a comprehensive analysis of the communication process in trials. Responding to the energizing interest in alternative discipline resolution, calling attention to the ways in which negotiation, mediation, and arbitration interrelate with trials. This study blends traditional argumentative analyses such as the rational-world notions of adversary proceedings, presumption, burden of proof and essential issues with contemporary ideas of narrative rationality. The volume offers the reader a practical and strategic guide to effective trial advocacy, and it provides theoretical insights into trials as socially sanctioned mechanisms of dispute resolution.

The Essential Guide to Workplace Mediation and Conflict Resolution examines the nature, process, uses and skills for employing and using mediation. The authors examine what mediation is and how it can be successfully applied to resolve issues, by presenting a range of techniques and case studies. Applicable to not only one-on-one conflict, but also at team and board room level, this is the book for you whether you are in the front line and have to anticipate, pre-empt

Working with Conflict 2 reflects the accumulated wisdom of over 3000 peacebuilding practitioners from 70 countries over the 20 years since the first Working with Conflict book was published. Its focus is on understanding and transforming conflict, building practical strategies for constructive change, analysing power, addressing violence, healing wounds and building movements for change. It is relevant to all who are trying to bring about change in intractable situations, from grassroots to policy level, including those working in the fields of peacebuilding, humanitarian assistance, development, climate change, human rights, gender equality, trauma healing and democracy. Working with Conflict 2 is an accessible practical resource, for both individuals and organisations working and researching how to work in conflict-prone and unstable parts of the world. Easy to use, including helpful visual materials, it provides a range of practical tools - processes, ideas, techniques - for tackling conflict, as well as providing links to other key conflict-related and peacebuilding resources, including organisations, publications and websites.
